#### Filing Agent

Is this report being filed by an agent on behalf of a manufacturer or service provider? No

#### Product Labeling

Do all hearing aid-compatible handsets include labeling? No

Explain: Handsets are refurbished and do not come packaged with in original manufacturer boxes or include original manuals. All product information can be found via the manufacturer's website.

Do all hearing aid-compatible handsets that are capable of voice communication over any air interface or frequency

band that does not have hearing aid compatibility technical standards under ANSI C63.19-2007 include the required language disclosing that the handset has not been rated for hearing aid compatibility with respect to such operations?  
No

Explain: Handsets are refurbished and do not come packaged with in original manufacturer boxes or include original manuals. All product information can be found via the manufacturer's website.

Do all hearing aid-compatible handsets that the manufacturer also tested and found not to meet hearing aid compatibility requirements under ANSI C63.19-2011 for one or more operations that are not covered under ANSI C63.19-2007, include language informing users by clear and effective means that the handset does not meet the relevant rating or ratings with respect to such operation(s)?

No

Explain: Handsets are refurbished and do not come packaged with in original manufacturer boxes or include original manuals. All product information can be found via the manufacturer's website.

Do all handsets that are capable of use for Voice over LTE, and that were certified for inductive coupling capability under ANSI C63.19-2011 without being tested for inductive coupling capability over VoLTE, include language disclosing that they were not tested with respect to this operation?

No

Explain: Handsets are refurbished and do not come packaged with in original manufacturer boxes or include original manuals. All product information can be found via the manufacturer's website.

Do all handsets that meet the criteria for an M3 rating by allowing the user to reduce the maximum power for GSM operation in the 1900 MHz band include the required disclosure?

Explain:

#### Public Website

Does your company maintain a public website describing all hearing aid-compatible models, the ratings of those models, and an explanation of the rating system? No

Website address:

Explain: Handsets are refurbished and do not come packaged with in original manufacturer boxes or include original manuals. All product information can be found via the manufacturer's website

#### Consumer Outreach

Describe consumer outreach efforts in the past 12 months: Combination of locally held events in areas targeted for the low income demographic for which we service as well as strategically located store front locations. We also perform a small amount of mail order fulfillment. Membership in local Chambers of Commerce, outreach to local churches, homeless shelters and missions as well as welfare offices. Distribution of flyers explaining the product offering are also distributed at all functions or locations.

#### Methodology for Functionality Levels

General understanding of the basic functionality of each handset make and model based upon the fact that each are refurbished and are used for voice calling and SMS only.
